

Reiki Course Terms and Conditions

Thank you for booking with Raising Energy for your upcoming Reiki Course.

As our courses involve purchase and preparation of materials/ lunch, it is a requirement that last minute cancellations will cover any out-of-pocket expenses Raising Energy has incurred.

24hrs or less cancellation fee - Courses that are cancelled within 24hours will carry a loss of business fee of \$250. In order to allocate Reiki Classes, Raising Energy closes its regular appointment schedule to the public. When cancellations are made on the same day/ last minute it creates too short notice to book regular clients resulting in a loss of productivity.

48hr Cancellation fee - Payment of \$100 is required if the course is cancelled within 48hrs prior to the course date, this fee covers costs of material and food that has been purchased by this point for the course.

Payment can be made by cash, EFTPOS or via direct debit. A Tax invoice with reference number and account details will be issued if the course is cancelled within this time.

Tax receipt will be provided upon payment completion.

*Payment instalment options available upon request

*Raising Energy believes in only holding courses with a maximum of 4 (preferably 2 max) students per course; we feel this is important to provide extensive one-on-one training to ensure each person is given dedicated and focused attention.

I _____ hereby agree with the above terms and conditions.
